## recreation section

- It includes a recreational pool of different shapes, an artificial river, loungers, underwater massages, power showers, water cascades, and three whirlpools.
- It also offers three warming saunas: dry, wet, and infrared; a sunny little meadow, showers of impressions, as well as a refreshing ice well. In this section, there are also attractions for the youngest: a paddling pool for children, two 120-meter spiral slides and various accessories for games and plays for the whole family

## sports section

- It includes an Olympic swimming pool (50 m x 25 m), which is one of the most modern in Europe, a warm-up swimming pool (25 m x 8,5 m), and the audience seating area for more than 1,600 people.
- The Olympic swimming pool is equipped with a movable platform which, depending on the needs, divides the pool into two smaller ones.
- A special attraction and convenience are two movable pool bottoms with the size of 25 m x 10 m, allowing to change its depth.
